7 Questions to ask yourself before you do will be ready to create your own will? We're here to help! This form is full of very important information for your family and loved ones and we know that it takes time to get on the same page with your spouse or figure out your options before you get started. Use our useful Will Preparation checklist to collect all the answers and information you need, so you'll feel ready to create and complete your own work! Will Prep ChecklistYou will receive an email link to access the free Will Prep Checklist. Helena won't date CJ until he wears clothes that raises sex appeals such as a Gimp costume. Clothes from the lines Sip, Didier Sachs and Victim also increases the sex appeal. Clothing is 50 percent of how sex appeal is calculated. Wearing several items of expensive clothing or one of the special costumes should raise CJ's sex appeal high enough for Helen to date it. The tweed jacket, red jacket, grey jacket and tuxedo all lift the stats by 25 percent. Helena also requires CJ to have a low-fat body type that also plays a role in how statistics are calculated. Between creating a guest list, researching vendors, and arranging a seating chart, wedding planning is not an easy feat. Surprisingly, half the battle is figuring out when you have to cross all these tasks with your wedding to-do list. If the stress-free phrase wedding planning starts to sound like an oxymoron, then you've come to the right place. Our wedding checklist displays a detailed 12-month plan, so you don't need to worry about logistics like when you need to buy a wedding outfit, book invitations, and book your honeymoon. Basically, we want to make it as easy as possible for you to focus on the fun parts of your wedding planning (think cake tasting and wedding dress shopping). We're like Jennifer Lopez in the Wedding Planner, minus the wedding stop. Ahead, we break down the most important wedding day tasks, completely with monthly time, to help keep you on track. Let the countdown begin before I do! Steve Steinhardt You may be tempted to start planning right away, but resist the urge to open a Google spreadsheet. Enjoy the bliss of introducing your important other, like your bride/fiancee, and as cheesy as it sounds, live in the moment. Trust us, you'll be glad you're done once you start seriously planning. However, here are a few things you should have on your radar once you get engaged. pop a bottle of champagne and celebrate. share exciting news with friends and family. discuss wedding expectations. Being on the same page as your partner will make the whole planning process much easier. to quit attending a party (or informal always if it's more of your style) to celebrate with loved ones. Traditionally, everyone who is invited to an engagement party should also be invited to the wedding, so keep this in mind as you plan your guest list. At the same time, there are a lot of nitty-gritty details to figure out budgets, guest lists, and vendors (about mine). Get ready as you are going to create many, many tables. Fortunately, you have a great partner on your side who will help make the whole process tolerable and, dare I say it, fun. to gather wedding inspiration. We propose to create a Pinterest board dedicated to the whole wedding. set your budget. Help the wait you and your partner talked about back when you were re-busy to ensure your wedding budget is allocated accordingly. Choose a wedding party. Choose a wedding party now so they can start budgeting as soon as possible. so much the guest list. Closing the guest list is probably the hardest part of the whole process, especially because one of the best ways to keep costs low is to limit your staff, so start thinking about it sooner rather than later. make your life easier and hire a wedding planner. If your budget allows one, of course. Choose the venue for the ceremony and reception. While you're touring your best bet, keep in mind a few dates in case your first choice is not available. Here are some celebrity wedding venue inspirations. set a date. Now you have the number one answer everyone was asking you. start exploring local suppliers. Think caterers, florists, bands, DJs, photographers and videographers. select the person who is going to make it official (aka your judge). If you are going with a priest, rabbi, minister or judge of the world, book your judge early. If you have a loved one judging, make sure they have started the ordination process. Luke and Mallory for HonestyYum Now that you've crunched the rooms and compiled your research, it's time to enjoy some of the fun aspects of wedding planning. This month, you can count on wedding attire, tasting menus, and gift registers. choose a photographer and a videographer. Take a picture with your photographer now if you want to include engagement photos with your save dates. Book the fun. When you've narrowed down the search to your favorite bands and DJs, try to have them perform live before making a final decision. This will help you get an idea of what they will sound like on your big day. Choose your supplier. After the tasting, of course. buy a wedding dress. Timing is everything, and the hunt for the perfect dress or costume can't happen overnight. You can avoid the stress of buying ready-to-wear ensembles by allowing enough time for a wedding shop to custom what you really want. Remember that you need to schedule fittings, too, so eight months isn't really that far away. Start exploring accommodation options for your guests out of town. To make things even easier on guests, make a list of local hotels at different prices and place their findings on your wedding website. run your wedding site. Trust us - it will be the easiest way to save informed about each detail (and there will be many). Knot and zola are both big, free options. start adding items to your registry. Instead of traditional retailers, consider new registry options like Honeyfund, and sign up for your honeymoon. This is a great option for couples who live together and don't necessarily need a toaster, blender, or salad spinner. All those hours you spent browsing Pinterest for wedding inspiration will finally be put to good use. At this point, we strongly recommend downloading the Pinterest app to your phone. Trust us when we say that you are going to want to have easy access to all your wedding inspiration as you shop for bridesmaid dresses, discuss flowers with the florist, and solve these other wedding tasks. Place an invitation order. After you're going to have it right, of course. start thinking about your honeymoon. If you are leaving the country, find your passport and make sure it is valid. If you need to get any vaccines traveling, now is a good time to schedule a doctor's appointment, too. shop for bridesmaid outfits. Six or seven months will give everyone enough time to dress or costume changes if necessary. discuss bouquets, butannier and floral arrangements with a florist. complete the guest list and mail your save dates. Make it easy on yourself and use a website like Minted to develop them online. all necessary transport measures. Reserve a car, limousine, bus or trolley to get you and your wedding party to and from the ceremony and reception area. Steve Steinhardt These months are mostly dedicated to ensuring you look and feel better on your wedding day. Want to look very sharp as you walk down the aisle? Rent a custom-made suit. Want to make your makeup look flawless in your wedding photos? Go ahead and book a professional make-up artist. to start planning your wedding rehearsal and dinner rehearsal. This includes booking places, thinking about menu options, and ordering invitations. Rent suits or tuxedos. Five months will ensure that each outfit changes with plenty of free time. fitting schedule for any clothing changes. Pro tip: Bring shoes and underwear for your fittings so you can get a true sense of final look. make an appointment with hairdressers and make-up artists. You want to do a few test runs before your final look. start choosing music. Choose a song for your first dance, for your admission entrance, and most importantly, to get the party started. plan to meet with the baker and order a cake. So far, the bulk of this checklist has focused on making you and your place look great on your wedding day- now it's time to start thinking the essence of your ceremony. Here's all you need to strike out the to-do list now that you're only three months away from having to say I'm doing. Decide the final menu with yours meet your florist to complete your flowers. It may depend on what's in season. buy your rings. Three months will give you enough time to have them engraved if you want. write a script for your ceremony. Choose the readings, poems or songs you want to include. Choose and buy favors. If you have the trouble of thinking of perfect gifts for your guests, here are some unique wedding favor ideas. Steve Steinhardt By this point, you have almost everything covered. Venue? Check. Photographer? Check. Flowers? Check. Menu? Check. Music? Check. All that's left to do is invite some people and the firm up to the details. send invitations. Invitations should usually be sent out six to eight weeks ahead of time. If you are planning a wedding destination, send invitations three months in advance. all your suppliers to confirm details, including wedding day arrival time and delivery. create a list of shots for your photographer. Look around at some of our favorite wedding sites for inspiration and suggestions to send along with your photographer. We love knot, carats and cake, Martha Stewart Weddings, 100 layer cake, and lane. (MyDomaine Pinterest is also an excellent resource.) share your song choice with your band or DJ. After months of looking at tables, reviewing guest lists, and scheduling meetings, your wedding day is within sight (literally, if you happen to look at the calendar). With the exception of a few important logistical tasks such as obtaining a marriage license and seating planning, you are pretty much out of the woods. to track RSVPs. send dinner rehearsal invitations. get a marriage license. In most states, this should take less than a week. However, some state marriage licenses expire within a certain period of time, so check to make sure your ceremony is within that. write your vows. The practice of reading the oaths out loud. You will feel more comfortable reading them in front of family and friends. Schedule of your final installation. If necessary, you can arrange an additional installation a week before the wedding. Organize your seating schedule. It will take some fines, so give yourself plenty of time to organize and change the chart. Steve Steinhardt you have planned your heart, so you don't have to have any major tasks to take care of this week (other than picking up a wedding attire). You'll walk down the aisle before you know it! with suppliers to confirm the arrival time (and any other details at the last minute). Give a copy of your guest list in your place (s) and catering. send your list of shots to Photographer. pick up (and try on!) your wedding outfit. Make sure everything fits exactly the way you want. make sure your wedding party knows in time to arrive at the venue. Write to everyone about the details package for your honeymoon or, if you don't jet off right away, pack your bag for the day after your wedding.
